

**FinTech**  
**DEEP DIVE WEEK**  
Vilnius, 27-31 May 2019  
Startup Division

**STARTUP**  
EUROPE

# Targeted at FinTech startups ready to scale

**Lithuania** is the place to be if you are a FinTech startup.

- 2/3 of FinTechs here have been established over the last 5 years
- 31% of FinTechs have a foreign HQ
- 96% of FinTechs see Europe (96%) as their target market, followed by Asia (35%) and North America (25%)
- B2B is the dominant business model
- 38% of FinTechs have already partnered with Financial Institutions

# Lithuania has become Europe's most exciting & inviting FinTech hotspot

---

## **E-money or payment license in 3 months**

Lithuania is second (after UK) in number of granted licenses and the process is 2-3 times faster than in other EU countries.

## **Sandbox environment** no regulatory sanctions for FinTechs for the 1st year

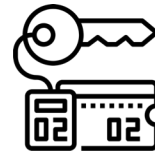

## **"Lite" bank license for challenger banks** 5 times smaller initial capital requirement

## **The right kind of talent for FinTech**

31 500 people employed in IT

## **Direct technical access to SEPA**

via Bank of Lithuania API

## **Ability to issue your own IBANs**

via Bank of Lithuania API

# What you get

---

In a five-day FinTech deep dive week, you will hear from government and regulatory body representatives on their approach to FinTech startups, meet the most successful global FinTech startups and get a 360° overview of practical aspects of running a startup in Lithuania. In just under a week you will know:

What makes Lithuania so attractive to FinTech startups

How licensing in Lithuania works

The journey of global FinTech giants and small FinTech businesses in Lithuania

Tax and legal environment for setting up a business in Lithuania & services available to startups

Get hands-on training, pitch to investors, and get their honest feedback
